Forecast for Wednesday 07 Sep 2022

Weather: A cloudy start, some patchy drizzle, then brightening up. Scattered showers breaking out during the morning with a few heavy showers in the afternoon, with the chance of lightning, these showers becoming isolated in the evening

Chance of cloud-free hill tops above 800m: 30% rising to 80%

Low cloud and visibility: Areas of cloud at 500-750m at first becoming more broken, mainly above summits but patches to 750m. Generally good visibility below cloud, but interruptions to poor visibility in any heavier showers.
